

Engage in the intriguing and fun world of EQ to learn the skills, knowledge, attitude and behaviour of emotional intelligence

Emotionally Intelligent Leadership

A unique eLearning experience

Emotionally Intelligent Leadership comprises two modules, each of which take approximately 20 minutes to complete

With sound emotional intelligence, leaders are better equipped to support and lead their teams. This in turn improves workplace culture, productivity, and organisational growth

Emotionally Intelligent Leadership applies to:

CEOs - Managing Directors - General Managers - Assistant Managers - Duty Managers - Office Managers - Administration Managers - Coordinators - Supervisors - Team Leaders

Anyone who leads!

Topics

Cultural Emotional Responses

Identify the range of cultural expressions of emotions and respond appropriately

Self-Efficacy

Evaluate self-efficacy and your ability to build an emotionally intelligent workplace culture

Personal Emotional Intelligence

Review your capacity as a role model in terms of your ability to build trust, confidence and respect of diverse groups and individuals
Monitor and appropriately regulate your own potentially disruptive emotions and impulses
Apply emotional intelligence when undertaking your day-to-day leadership role
Identify and respond to the emotions of others

Feedback

Identify and apply strategies to create a climate that encourages and allows for the receiving and giving of effective feedback

Access & Sales

Many people take on leadership roles, including teachers, managers, coordinators, volunteers and parents

Although the module Emotionally Intelligent Leadership is presented in a workplace context, regardless of the type of leader you are or the environment you live, work and lead in, the lessons learnt in Emotionally Intelligent Leadership are transferable to many areas of life

Activities & Feedback

Emotionally Intelligent Leadership includes the following types of activities:

- Animations of real-life experiences
- Interactive activities
- Informative Videos

- Option based activities that outline different workplace outcomes
- Encouraging, regular feedback to guide learning

To ensure a contemporary and quality learning experience, Emotionally Intelligent Leadership is based on handpicked elements and performance criteria from professional training packages, including:
